Will you not come in and rest a while though it is a very humble home that I live in? On the ceiling the rats are running about. The horse has grown restive And then they became disorderly. A netting-needle. He makes an invocation by pouring cold water upon himself. The crab is foaming. The beer froths — Leave off as it is dangerous. Pork is full of fat. The back becomes clammy with an oil-painting. A piece of paper written with sympathetic ink. Ting grate. Take this dog away. That is an instance of revenge for disappointed love. The horse paws the ground. To hold the fox in awe as the niessenfer of the god of rice. There has lately been a general rise in the prices of commodities. You were out when I called yes. The fish are all dead. to go tip the s'y in a balloon. rise in value market- price, rank, rejtation. im- protie in-personal appeartnce. tuck at the shoulder — ttedo the tuck. We sent the ball up on the roof, celebrate a tvedding. As it has a raised bottom, it &, not hold much. The upper Jaw; the palate doable chin. Cross-let fjed in foie igii clothes. Once we take to opium, we cannenc&. give it up. estranjc the two frotn each other. Eating between meals. Come down a little for luck. In the game of go he is no match for me. He is a veritable bumpkin.

So you have a little stranger at your house, let me congratulate you. The man fell in with a highway. His rowdyism is unbearable. A bean-jam bun. A stripling an unlicked cub. Rats infest a house. A gang of five robbers infest. The fish from the open sea are delicious as their flesh is tough. Shoio the cloven foot—betray a metin heart. Will you sleep with a nightht? Variegated cloth of hemjt-leitf pattern. One's feet, Death by crushing-suru. This apple is bruised. Give an indirect rub. 6e over head and ears in love tvith a tvomati. It is torn in two at the joint. I am now quite ashamed to show my facfc. pull the wires work pup-j. Be scorned by the trorld. A target-mound. The loins are bent like a catalpa. Imperial cherry-party. A pari-mutuel ticket. Powder is very great plan that is absolutely. The salsify the oyster-plant. Cargo in bulk, fto death; a. But- tery. to eat bread u-ith butter. Don't make such a clatter you are raising the dust. Hap the ivings — a horse-shoe magnet — raised by horse hoofs. He was punished for breaking the jjtti. school regulations. fishment.) Happily I got off with a light puui-l a boat. The price of rice. United States rrrsident; the Pt-f-mident of the United States — He opened his granaries and reliev- es ed the poor. Do you see any green in my eye? specifl ffovei'tit) neiit shritie. One has (catches a glimpse of big dashing- among the waves. Tortoise-shell. vcoimir explain fiiiently. Do forciprn ladies use rou e at their fcnt toilet? The ring-finger. A pig-tail.

He sometimes whipped persona. Don't you want luncheon? A parting-cup was drunk to speed him to his post. He chatters without stopping. I never wear any flimsy clothes. The appendix is separately bound. Please write on a separate piece of paper. A flying column. An aid to the memory bent on patching tip. fruit as a slight token of joy at your complete recovery. The betel-nut. iron, n. The interior of the abdomen is inflamed and it bleeds. pin a lute. meet violence with violence. Bodies always expand when subjected to heat. the coefficient of expansion. storm ironing. Do not obstruct another's trade. Joss-sticks are always burning provinces arose suddenly. The ink has not yet dried. nestly engaged in evangelisation, A bell with a wooden tongue. A social gathering to speed mediocrity: an ordinary man. I chase the dog of worldly passions, stag of tuirfoct knowledge, but he will not come. The back of the neck. A potted plant. That fellow is rather dull-witted. He sits there in a brown study. The grey mullet. A rice cake covered with a button has come off. Please let me see some studs. button-hole. "I divided into three departments, namely, the legislative, executive, and judicial." The dog came home safely. As I am very awkward. He was raised to the peerage for he lives beyond his means. A circle. a doctor of literature. Agrammar. On that day a march-past took place in front of the colours. spirit is weak. Let us now stroll out. to speak insultingly use insulting language. the horned orange. He knocked his head against a stone and fainted away. A white robe. no, a. White-robed. to hear patiently the jiains of sickness. They are all women who go to fire x'i-. tea. The apprentice

embezzled. Men are to wear frock-coats. Rice boiled in tea.  
Tea-incrustations. Blood spurts out. to sip sake frequivthf,  
shaking off the blood. It is slow and makes no progress. a  
milkshop. A geographical society. go by train or by electric car.  
tear off one's ears. nutke a friendly comjtact; engage oneselj ito  
tear off a sleeve. The arm of the law slackened, rioters arose  
in various places. local self- gov city- merit mental and moral  
training are like I am told that I was pretty plump. You can  
see the minutest things. with this glass. He has the habit of  
contractinj his brow. fdown.vi. frizzled ifiir straightencr. tblind  
love. The monkey is an animal closely near-sightedness. I have  
lost heart.

tht effectiveness of powder. tin protuberance cnusedhg the  
biceps-fleji'or muscle. ic a weavers' beam. Misdirection of  
strength opponent b; sheer strength when he found hi could  
not defeat him in argu ment. friendship. rtimate with you  
coming on. Topography — he fell reeking with blood. The  
pubis. Trees and bamboos have a smart pain here. An electric  
condenser. The science of fortification. The pursuit of an  
object. An isthmus. He was smeared all over with blood and  
rushing about. A bloodshot eye. Teyes. dust if hif/hron. Fifty  
years of age. foi cotton-growing. poisonous bird, spaniel pug.  
Is there not any interestinsr news ? Being drowned, being ad-  
dictec to. suru, The chin venom. wages fntid theory. Carving  
and gilding- lac- quer figures, rvisitor. That is now out of date.  
The exhibits are badly arranffed. He was seized in a farm-  
house where he lay concealed. The sheets of paper are scat-  
tered. The flowers are fluttering in the air. The electric lighb  
dazzles the eyes. I only cr.ught a glimpse of him. curry favour  
with lust-bin/a rubhisfi-heap. Toilet paper. Ting-ting, rings  
the news-vender's UX. ink spreads on it. owl edge fur. He lay  
stained with blood. I will treat you to some cake. He was dead,  
having been suffo cated by the smoke. Billing and cooing,  
dling, dalliance. A tnousand ages. Isn't there a detailed map of  
tin seat oftheivar. The appearance of a comet. Are they dis-  
porting butterflies o scattering petals? A carbuncle has grown  
here. to enter in tin, n ccoutit-booh. A funeral address. Give up  
holding. The butterfly coiffure. A heavy sigh. I will explain at  
the risk of repeti- tion. He enjoys the siwcial favour of h6han.  
Odd and even num- bers. Cxambling. The Imperial authority

is felt i all directions. The clove-tree. A snuff. The major axis. He was at the height of his joy. Intestinal catarrh. put ting in one's oar. It turns suddenly and falls straight down to the distance of three. vainly do you wag your tongue. tte stricture of the rectum. The wireless telegrap is also used to thin out a permanent plan. The name of a street. prick on the top of his head. A tuning-fork. The whole family decayed. A fickle policy. For a while he stood still stupefied. Little fishes are darting among the rocks, blare of the trumpets. to beat time ii-ith aliens feet. Towns and villages. Persons keeping dogs. Hestands aloof and does not truck to the times. transpiidenfal pfifosoplij. crops, rice is stored here. The mice squeal. He died by alcoholic poisoning. A somersault. work in a Juilf-sitting posture. A stone of middling size will do. The policeman gazefi long at his retreating figure. There is nothing to shame me fi speak a little more concretely. I went half-way and came back.

If we can lead a middle-class life. The body was reduced to a wreathj. O a pack-horse charge, The large intestines. The bitter orange. The butt end (of a gun). I you may he sure of it. I loathe that man. I hate borrowing money. A flat cap. The garden radish. When a rock is rent with dynamite. Rhubarb. Great vogue. hay irith a rash. hen sitting on her eggs. It. gets angry. [hold my tongue.) I am played out, I'll go home. A largo cotton bag, rending of the heart. get nioi-c atnl more intercestig. The shells are exhausted, both sexes promiscuously. A play in several acts. chatting pleasantly. A stove. The snapping of a wire. I too am a man and will never break my word. Superfine paper. untutttrral vices. Wc will make up a party. The slope is gentle. smeared tvith blood. My feet feel heavy. The salivary glands. cancelled in the domicile-register. flee stnnewhere or othei I certainly do not wear glasses. Taking off a hat. At that factory the wages are pa by the hour. He died of cholera. He suffers from consumption. He died at eighty-eight. The child was brought up on milk. A projecting forehead fir, thr hook frtinn rhirh a pansagr tens. A pierced cocoon. A projecting lattice. Being dead drunk. It is a pretty thinj? a thousand barrels. An ulcer has grown in the face.

Electromotive force. initiation into a secret process [art). Pest is really very infectious. communicate by means of carrier-pigeons out. It is now the season for mushrooms. Going out for the first time. public works. Things cannot simultaneously occupy the same space. the round of exercise. halls to test tone's skill. it exploded with a terrific noise. This Slimmer. Somehow I dislocated my arm-bone. Anger overspread the whole face. My heart beats very hard. O immitable Poison. a venom-fang. This colour is too heavy. Killing by poison. spitist-hood. A sack-belt. arterial blood. oh my a great toise. The guns are roaring. goggle-eyes. An obtuse angle. drinking tipping. You are splashed with mud up to. Muddy water. the condition of the political world together from mutual love. concentric circle. cojctric-coltmet race. taking off his clogs. Its comicality makes a man split. The anjffion of his spirit irresipit- wnxiiig and waning of the moon. Eggs are very nutritive. the water is dazzling. Book of Changes. to benefit stuff-nts. extract of beef. karma-relationship. make a proposal of inarriage. Small birds. to offer a jiersoti to cmi/ine himself at home. A love-letter. mmhxi&. put off. A bird-catcher's pole. a selfish numrr. tea-bowl with a broken brim. As I am such a lazy wriior. Not even a dog turns to look. This fish is rotten. a light jurple. Eggs may be artificially hatched. Elastic boots. His learnine: is profovmd. They are steaming potatoes there. looh- displeased. The delicate fragrance is borne. a mashed burglar. scntnce does not bwir such nicininn: Tills water is highly chalybeate. tc-illatv in a fishwuf-village. Your sleeve is puffed out, have anything in it? What are you in the sulks for?

prohibited, the posture of lying-down to fire. U. before meals.  
pears to lie concealed. port trade is dull. build a pontoon-bridge.  
fo ftrhm' behind the island. A sea-fight. unaccustomed to  
labour. mail of keen discernment. I am a good [bad] sailor.

He died in the excess of his indignation. This hot-spring  
boils out six times. O Going contrary to one's wishes. Put your  
hand to it, for the train shakes terribly. I have finiwn a note of  
promise. He shook out a divining stick that clung to his sleeve.  
tospi-inkle satut over his head. ping, it was uncertain weather.  
and jvist turned tz. round. A bell that rings in the wind. hawk  
about greens. Reflections in Prison fis likely to snowy [cats  
and dogs. Thire are pk-nty of copies of that. He talks of very  
stale things. Put that box face down instead a bamboo joint.  
peep throwpi a hnot-hole. This ink never corrodes nibs. I will  
fumigate with some leaves covt'i' up thiffs of evil odour. unless  
we nip it in the buii do siameless things. expose the thighs. uni-  
versal suffrage with a whiff. I beg to apologise most humbly. O  
A hungry devil. ddcr of mischievous boys. I am in despair as I  
have failed. milk-thrush, the cat-tail. I take no rc-prard of such  
a fellow. extend a little mon. There are few who are so bigotec.
