over her left  
hand.

Amazing  
Painting - The  
man on the  
left is in  
white and the  
man on the  
right is  
in black  
instead of the  
man in black

being on the  
left and the  
man in white  
being on the  
right.

Moving  
Painting - The  
fan part of  
the shell is

towards the  
background.

carrot.

- The man is  
pointing with  
only his index  
finger on both  
hands.

Neutral  
Painting - The  
top-left leaf  
has a hole in  
it.

Wistful  
Painting - The  
girl's hat is  
red-orange  
instead of  
blue.

Serene  
Painting - The  
lady is  
holding a  
white cat  
instead of a  
stoat.

Wild Painting  
- The black  
god is on the  
left and the  
white god is  
on the right.

Graceful  
Painting - The  
beauty is  
looking to the

of to the  
right.
