<party member> picked up the receiver.

<party member> picked up the receiver.

Working through the night, Jeff fixed the <item>.

After being fixed, the <item> became the <item>.

<party member>, you're a hard worker, just like your mom. Don't work too hard, though... \*Click\*

What a great adventure we had

together. Please turn off the power.

The Magic butterfly made <party member> relax.

You're <party member>, aren't you?

Oh, <party member>! Jeff wets his bed sometimes. But other than that, he's a good boy. Take care of yourself and Jeff!....

<party member>, you've altered Jeff's destiny. Bring back Jeff!

Bring back my friendship with  
Jeff!! Jeff Jeff!

Oooo la la. You shouldn't be  
satisfied with eating just some  
more <favorite food>. You're so out  
of it. I've ordered "Trout-flavored  
Yogurt." It's very popular among  
gourmets. Aren't you jealous that I  
get to eat such a tongue-tickling  
treat? Ha! "Trout-flavored  
Yogurt"... Oooo, I can't wait! I'm

starting to drool all over myself  
just thinking about it.

Aren't you <party member>? Mr.  
Monotoli's maid, Electra, told me  
about you. I'll take you to Mr.  
Monotoli's office on the 48th  
floor. Only you may go.

<party member>, ... Are you staying  
here tonight? Thanks for being so  
generous with your tips... ...You  
never gave me a tip?... never  
mind...

<party member> opened the locker using the Bad Key Machine. There was a <item> in the locker. <party member> got it.

<party member> left it in the locker.

<party member> used the <item>. The door opened.

<party member> used the Monkey Love. All of a sudden, a monkey came along, and pinned the enemy down with its tiny monkey body.

(Dear Ness, How are you? Since you left home on your journey, things have changed around here. For example, I don't have as much laundry. Also, we don't seem to eat <favorite food> as much as we used to. I heard that you defeated some universal evil character--what was it, Googi, or something like that? Well, that sounds really great! I want to hear all the details, so

hurry home, okay? Tracy, King and I  
are waiting for you. Love, Mama)

You'd like a hint, wouldn't you? So  
you're telling me that you don't  
want a hint? You're either awfully  
confident or \$<money> is too much  
to pay. Anyway, a young man like  
you is very unusual these days. If  
you happen to need a hint, c'mon  
back! I'm here all the time...

So you're telling me that you don't  
want a hint? You're either awfully

confident or \$<money> is too much to pay. Anyway, a young man like you is very unusual these days. You say that you don't want a hint? Well, so long.

You got a call from Apple Kid on your Receiver phone? What are you doing here, so far away from his home? I can't give you any hints, but I'll keep your \$<money>.

This is my business, so I'm happy to have customers. But, don't you

know this is a crisis? You shouldn't be wasting time here.

Anyway, I'll keep your \$<money>.

Oh, aren't you <party member>? Is it a school holiday today? Have you done your homework? Remember to brush your teeth before going to bed. Have you been wetting your bed?

<party member>, I'm doing watch-out duty for the hideout. Can you take

over? Yes No You're busy. I understand.

You're back! Don't bother yourself with talking now, you look too tired. Mothers understand these things. Eat some <favorite food> and scoot up to bed.

You're hungry already? Why don't you have some <favorite food>? Pokey, you don't like <favorite food>, do you?

Oh, Ness! You finally showed up...  
There are plenty of creepy monsters  
running around Onett now. The  
townspeople are barricaded in their  
homes, afraid to go out. I'm  
fine... But I am a bit scared.  
Everything will be okay if we just  
sit here quietly in the dark. Are  
you hungry? Do you want to eat some  
<favorite food>? Yes No I agree.  
It's not good for you to eat too  
much...

If you wish, you can stay here forever. I'll make some <favorite food> for you.

<party member> used the <item>. But nothing happened.

<party member> used the <item>. But nothing happened.

<party member> equipped the <item> instead.

<party member> could not equip the <item>. Since there was no alternative, <party member> fought

with <party member>'s previous weapon.

<party member> tried to equip the <item>. but <item> wasn't meant for <party member>.

<party member> tried to use the <item>. but <party member> could not use the <item> very well.

<party member> could not use the <item> very well.

Yep, this is the bus to Threed, but, ...I'm not sure if we can get

there or not. The fare is \$<money>.

...do you want to go? Yes No Yep, I personally think it's better if you don't go. ...I'm also not real confident about getting there.

This bus goes to Fourside via Threed. If you don't pay \$<money> for the fare, I can't take you there. ...Do you want to go? Yes No If you don't have any money, you should stroll around. Besides, walking is good for you...

Finally, the bus can make its full run. To Twoson, it's going to cost \$<money>. Do you want to go? Yes No  
Ok, we're off!

(<party member> checked the bus schedule. It looks like the next bus will come pretty soon.) To Threed, it's going to cost \$<money>. Do you want to go? Yes No  
Okay, we're off!

(<party member> checked the bus schedule. It looks like the next

bus will come pretty soon.) This bus goes to Fourside. I can't let you on if you don't pay \$<money> for the fare. Do you want to go? Yes No Ok, we're off!

This bus goes to Fourside. I can't let you on if you don't pay \$<money> for the fare. Do you want to go? Yes No Ok, we're off!

I can't let you on if you don't pay \$<money> for the fare. Do you want to go?

<party member> used the Pencil Eraser. For some weird reason, the iron pencil statue was erased!

The admission fee is \$5.00 per person. Is that okay with you? Yes  
No You can't afford to spend \$<money>?, or are you just not into dinosaurs? You must be nuts...

You don't even have \$<money>?, an unusual specimen like you should be on display in the museum.

You cannot get in without paying admission. It's \$3 per person.

You'll pay, won't you? Yes No Is \$<money> too expensive for you? Or

are you just not interested in ancient culture?

You don't even have \$<money>? If it were up to me, an oddity like you would be exhibited in the museum...

The power of Rainy Circle Ness caught a whiff of <favorite food>, but just for a second. Ness's Sound Stone recorded the melody of the Rainy Circle.

<party member>'s belongings.

<party member> failed.

<party member> got rid of the  
<item>.

You shouldn't throw the <item>  
away.

got rid of <party member>'s <item>.

You can't use the <item>.

<party member> is the only one who  
should carry the <item>.

The <item> can't be used here.

Why would you do that? The <item>  
would probably make you barf.

The <item> is one of the items that  
can be equipped.

<party member> chewed the <item>.

<party member> got sunstroke.

<party member> was horribly  
poisoned and collapsed.

Alert! <character or enemy  
performing action>'s condition is  
critical.

<party member> got off the bike.

We're very sorry... but the record of adventure number <save file number> has been lost...

Hello, this is the Stoic Club. Oh, <party member>, !

Oh, is this that darling little <party member>? Is my sweet child Ness doing okay? Please come visit us sometime. Click! Beep-beep-beep...

Hello, Ness? You can finally come home? ...So that means... Oh, thank

heavens! You did it and you're safe! I'm not exactly sure what you did, but... Anyway, if you come home quick, I'll make some <favorite food>. Get here as soon as you can. I can't wait to see your bright and shining face! Click! Beep-beep-beep...

There is a <item> inside! <party member> takes it. <party member> added the <item> to <party member>'s stuff. But, <party

member> has got too much stuff  
already. <party member> got  
\$<money> dollars.

<party member> opened the present.  
But it was empty.

<party member> dug around in the  
trash can. Well, let's see here...  
There was just plain ol' garbage in  
the trash can.

<party member> opened the chest.  
WHOOAAAAAAAAAAAH! But the chest was  
empty.

<party member> opened the casket.

TAAAAAH-DAAAAAH! But the casket was empty.

(<party member> got the <item>.)

(<party member> added the <item> to <party member>'s stuff.)

<party member> used the <item>.

<party member>! It looks like you got your head handed to you.

<party member> decided to return after summoning all the courage and energy he had.

See you, <party member>!

And finally, he realized he had the power of Teleport <Beta>.

<party member> rearranged <party member>'s own items and the <item> moved.

<party member> tried to give the <item> to <party member>, but <party member> was already carrying too much stuff.

<party member> tried to add the  
<item> to <party member>'s stuff,  
but there was no room for it.

<party member> gave the <item> to  
<party member>.

<party member> added the <item> to  
<party member>'s stuff.

<party member> rearranged <party  
member>'s items and the <item>  
moved.

<party member> tried to take the  
<item> from <party member>'s stuff,

but <party member> was already carrying too much stuff.

<party member> tried to add <party member>'s <item> to <party member>'s stuff, but there was no room for it.

<party member> took the <item> from <party member>'s stuff.

<party member> added <party member>'s <item> to <party member>'s stuff.

<party member>! You good name. We  
no name! Boing! ...All have same  
name!

I hand you <item>.

I hand you <item>.

I no hand you my <item>...Oh! Tease  
you!

Ah, <party member>. The Phase  
Distorter will certainly be  
completed someday, in my humble  
opinion.

Well, here you are, Ness. I'll make you some <favorite food>, even though I'm not a very good cook.

You've lost some weight since I saw you last, Ness. Paula must have had quite an adventure! I'm glad you live so close to us. Why don't you drop by more often? I'm working at making better <favorite food>.

The Dinosaur Museum doesn't have any real dinosaurs... They're all replicas. I'm sure everyone knows

that. If you still want to go see the dinosaurs, pay 5 dollars a piece for the entrance fee. Is that okay? Yes No Maybe you think <money> dollars is too much. Or are you just not interested in dinosaurs. You're strange, kid! Please enter. You'll find an academic researcher inside.

You don't even have <money> dollars! You don't deserve to go in the museum.

You boys are sneaking around, looking for Mr. Monotoli, aren't you? If I catch you boys doing anything, I'll arrest you--no questions asked! Be prepared! Got it, <party member>... Haha. I've already checked out your name...

<party member>, I misjudged you guys. I thought you were little snot-nosed punks. ...I know better now.

"<favorite food> found to be major source of nutrition and energy"

<party member> checked the drawers.

There was a Insignificant Item in the drawer. But there was nothing.

But you don't have any more space.

<party member> chewed a piece of bubble gum, but it wasn't as satisfying as food.

Thank you again, Poke... Uhhh, <party member>. Mr. Miss.

<favorite food>? Please... we do not have such trash on our menu.

<party member> opened the jar of "Fly Honey"! It didn't smell like something <party member> would like!

A mysterious light enveloped <party member>!

A warm light surrounded <party member>!

A dazzling light enveloped <party member>!

A very subtle light engulfed <party member>!

<party member> lost their PP!

<party member> recovered completely!

We're all like one big, happy family here in Happy Happy Village!

Basically, our policy is to only allow family members to stay here in the village. However, if you are interested in learning about Happy Happyism, we may make an exception and let you stay for \$<money>.

Greetings, <party member>. Please forgive my lecture earlier. You are

now welcome to stay free of charge.

Would you like to stay? Very well.

Please come again, any time.

Excellent. Please make yourself comfortable, on your blue sheets...

No, no, I'm just kidding! Hahah!

We are also running an inn, mister.

It's \$<money> a night if you want to stay here. Do you want to stay?

That's probably for the best. You see... our beds are really old and dusty. Well, have a good rest.

You'll wake up refreshed! You...  
don't have enough money.

Welcome to L'hotel de Summers. My  
name is Risosha Richmonde, and I am  
the assistant manager. I'm sorry  
<party member>, but I'm afraid that  
we do not have any reservation  
under your name. However, we can  
offer you a room at \$<money> a  
night. Would you be interested in a  
room? That's too bad, <party  
member>. Please keep us in mind the

next time you come here on your holiday.

Excellent choice, <party member>!

We hope you enjoy our wonderful ocean view.

Welcome to the "Great Southern International Resort Hotel." Our rooms range in price from for \$<money> on the to \$<money> a night. Right now, though, we only have our super deluxe suite available. Would you like to stay?

This is the Dark Moon Hotel. One sleep period is \$<money>. Do you want to sleep? You're actually going to try to stay up...? Hah hah hah! All right. Here we go! Money rules here in Moonside, too. And you do not seem to have any at this moment. Thanks.

Thank you for coming all the way into this primitive country. You must be tired. To stay, it'll run you \$<money>. You are going to

stay, aren't you? Please come again... Mr. Traveler. Well, make yourself comfortable. Money rules even at the end of the world. We cannot accept a guest who has no money.

A one night stay will cost you \$<money>. Would you like to stay? Have a nice stay. See you next time. It looks like you don't have \$<money>... Good morning. Did you sleep well?

I can examine each one of you for  
\$<money>. Yes, please No, thanks  
You really don't need any  
treatment? All right. Who is sick?  
You don't have enough money. Go  
home, and then come again. I don't  
think there is anything wrong with  
you. I don't think anyone has  
anything like that. Or Is it just  
my misunderstanding? I can only  
treat an illness. Sorry. ...by the  
way, What a sad look in your

eyes... you, the boy in a red cap.

You must be homesick. That's nothing you need to be ashamed of.

Anybody who is on a long trip will miss home. In this case, the best thing to do is to call home and hear your mom's voice.

Who do you want to see? <party member> was just brought in, and is still unconscious. Please pay \$<money> for the doctor's fee. Yes No Your friend, right?... It's very

serious. I'm so glad that you recovered, <party member>. Come back any time you need. We don't have a person like that in our hospital. You don't have enough money...? That's too bad. If you are the patient, come into the back room. You need to be examined? Then, you need to see the doctor... not me. I'm not busy right now. Shall I explain about the hospital system? Yeah, well, I am actually

pretty busy. If a good friend of yours becomes unconscious, come to the hospital right away. As long as you have money for the doctor's fee, you'll be able to see your friend completely recovered in no time. Besides being unconscious, whenever you don't feel so well, come and talk to a doctor. Everything I just told you applies to hospitals all over the world.

What do you want me to do? Restore  
feeling Purify I need to charge you  
\$<money>. Mmm, come back when  
necessary. Who needs healing?

<party member> isn't hard like a  
diamond.

<party member> isn't numb.

<party member> isn't possessed.

I can't see where the problem is  
from this vantage point. I need to  
be in the front. ... Ah! Here's the  
problem, and it's not too tough to

fix. Hang on for a second or two...There! That should do it! Now, if <we> board, the Sky Runner will take <us> back to Winters. With Dr. Andonuts' help, I can modify the machine to fly to Summers. ...If Dad, I mean Dr. Andonuts, is not available, I'll have to figure it out by myself. Anyway, let's go back to the lab in Winters. ...That's it... Go, machine, go!

(<party member> had a dream, it was a very clear, and very strange, dream.)

Oh no! I... am... getting caught in the palm trees! Mmm... I cannot move. Well, if I cannot move, it is okay. <party member>, it makes me sad, but I must say goodbye here, at my eternal resting place. I believe it is impossible for me to move from this spot. Do not worry about me... Please continue on.

Hey, you! I have a happy little question for you... .. <player name>... <player name>, are you sure this is the correct player's name? If it's not right, you can change it...

<player name>, Are you sure it's what you want? Are you happy with the name? Yes No Here's your chance to change it... Are you absolutely certain? Yes No Yeah, I thought that you had made up your mind...

You said yes, even though you need a lot more money. You said "yes" - that's short and to the point. But you don't have any more room... Get rid of something and come back. I'll be here.

I sell fresh eggs. They're nutritious! Please buy this beautiful, beautiful egg! Please? Yes No You won't get through your teen years without at least one egg. Please buy this beautiful egg. Please! Yes No Ok, but your teen years will be ruined just because you didn't buy an Egg. You're concerned about your health, even though you're young. That'll be <number> big ones. Okay, here you

are... one egg to go! Hey, I'm not just giving it away... Eggs are easily broken. There's no way to stuff it in with your other things if you have no more room...

Excuse me, tourist. I'm collecting  
donations to help protect the world  
from contaminants. Donate whatever  
you can. Yes No I'll be your  
shadow, then. Incredible! I can't

believe people exist who have no money at all... Blue, blue! How much would you like to donate? \$<money> Your good deed will be rewarded. Here's a postcard for you. Go and be happy! I wanted to give you a postcard. But... you can't accept it. You have too many items.

(<party member> used the key to the traveling entertainer's shack.)

(<party member> used "Machine that opens doors, especially when you have a slightly bad key"...to open the door.)

Ness... Hmmm... I think Ness is the right name for him. Ness... he smiled just from hearing his own name. Do you think he likes his name? Try putting that red cap on him. Ha! It's too big, but it looks good on him... I hope King won't be jealous of the baby. Let's

celebrate with some <favorite food>. This baby will grow up to be a hard worker just like you. I don't think he needs to be rich or famous... but I want him to be a thoughtful, strong boy. That's odd... the baby bottle that he pointed at seemed to move a little bit... Hmmm...

(<party member>'s Tendakraut was stolen.)

invaders, we built this pyramid fortress. However, our efforts were futile, and we lost. Nonetheless, our pyramid was protected by the gods of Scaraba. The invaders will be reborn every millennium and will attack again. Even now, the invaders hide beyond space and time and build their evil stronghold. A place out of time is beyond the Dark, and is even farther beyond the Lost Underworld. The Deep

Darkness is shrouded, it is without light. Only one with the Hawk Eye can pierce the dark. The Sphinx now watches over everything, waiting for the coming of a truly brave hero. Dance in front of the Sphinx!"

Hello! (gasp... pant...) I saw your sign (gasp... pant...), and thought I should stop and buy something. I tried and tried to find it (gasp... pant...) but no such luck. I think you should give this up and go home. If you took your business more seriously, you would be more considerate of your customers!

woooooof! (If I knew this was going to be such a scary place, I wouldn't have come along... I'm outta here!)

(<party member> checked the bus schedule.)

(It looks like the next bus will come pretty soon.)

(It looks like it's going to be a while before the next bus comes.)

(<party member> checked the bus schedule.)

(It looks like the next bus will

(<party member> checked the bus  
schedule.)

(It looks like the next bus will  
come pretty soon.)

Due to hazardous conditions, bus  
service has been canceled in this  
area. (Zombie Relief Corps.)

Danger! Do not stand in the street.

(Read the schedule from the  
sidewalk.)

(I lost a pair of contact lenses here in the Dusty Dunes Desert. They were a memento from my grandma, and very important to me. If you find them, bring them to me and I'll give you a reward. I'm Penetella Giovanni. Find me at the Fourside Bakery, second floor.)

(Thank you, I found them. Thanks again for all your help.)

(I'm a broken slot machine. But, the Sanchez Brothers and their

friend are a very cheerful trio...

they will make you happy.) (Would  
you like to insert a buck?)

(Okay...)

(You have no money.)

(I'm a slot machine. Can you talk  
to me from the front side?)

(...I'm just a pile of bleached  
bones. I can't talk.)

(Even though I'm just a pile of  
bones, I can talk and I'm lonely  
out here in the desert.)

(Why would you feel like talking to a tiny black sesame like me. I wanna apologize to the white sesame that I hurt before . If I could just see her.)

(What? The white sesame still... loves me?! Weep, weep...)

(I heard that the black sesame I used to love is somewhere in this desert. If you see him, please tell him that I still love him.)

(Really? You've seen him already?

Was he okay? ...Hmmm, I see.)

Ukippsyako Ukikiki? (Do you have a

Skip Sandwich?) Ukii Ukieki...

Ukie Ukikikie (I am Man K. Man.)

Ukki Ukikie (I am Man K. Man.)

Kiki kikkeki! (Oh, I wanna measure  
something!) Kiki kiku eki! (But I  
don't have a Ruler...) Kuki

Kiki Kikurek ki! (No measuring!)

Kikki ekruiki! (Finally, I can measure my own tail!)

Kikoke Ukike! (I can measure his tail too!)

Kyakyako Kyakie (Somewhere amongst all these rooms...) Ukkiki Kyako

Kyakki (you should be able to obtain Dragonite.) Ukyakki

Kikiyakoke? (Do you think Dragonite

is really made from dragons?)

KyokeKyoke Ukyokie (By the way,

I'll give you a Fresh Egg.)

Ukyakyokyo Kiekyo (If you run out,

just come back and I'll give you as

many eggs as you want.)

Kyokyukyo kyakie (You have too much

stuff!)

Ukyako kyakki? (Did you find a

Flame Pendant?) Ukyakki Kokekyakya?

(Oh no, you don't have to answer.)

KyokeKyoke Ukyokie (Here's another  
Fresh Egg...)

Kyuie (One of my friends can use  
the teleport.) Kyu? Kyikki? (What?  
You've never heard of it?) Kyukyu  
Kyui (Then, I'll give you King  
Banana.)

Kyu Ukyukui? (That didn't make  
sense, did it? But, anyway, I'm  
attractive, don't you think?)

Kiee Kiee (You can't carry any more  
items. You've got too much stuff.)

Kyu Kyuii (We're born in the  
desert.) Kyu? Kyuikki? (What? You  
didn't ask me about that?) Kyukyu  
Kyui kyukyu (You guys must be hard  
workers.) Kyu ukyukyoi? (I'm not  
making sense, am I? But I am  
attractive, don't you think?)

Ukikki Rukikki (I love Talah Rama  
the most.) Waakikki Hoikikki (He's  
a friend of the monkeys.) ...Uki  
Ukiukiukya (...Here's a song I  
madeup for Talah Rama!)

Kyakyakyaa Kya (I've been waiting for you.)

Kyakyekyai kya (I'll teach you teleportation.) Kyakyakya (Let's go outside.)

Kyakya kyekyi? (So... how 've you been?)

Hikikki. (Follow me, like this way.)

Kyakya Kyokyo (Ok, I'll do a teacher's demonstration.) Kyakyakya

Kyakkyakya (If you can learn this, you can go anywhere you've been

previously.) Kyakkyaki kiki (You can go there instantly.) Kyakki Kyaki (This skill can't be used in a room or underground, though.)

Ukkie (I went to Fourside and returned.) Kyaakyakya (I showed you the basic, straight course, but you can also build up enough speed while turning, if you have enough room.) Ukkikie (Ok! Why don't you try it, young man!)

Kyakyakyakya (Try again by believing in the monkey teacher.)

Yes No Kyakyakya (You don't like the monkey teacher?....)

uKI? (What happened to the boy with the red cap? I was only going to teach him something.) Kyakyo (He's not here....)

Kyaho! (Great! Okay, the teacher is going home now.)

Kyai Kyai (Bye bye.)

Kukkukukku (Welcome!) Kikikiykki  
(Our paradise exists beneath that  
hole.) Kuykku kikki... (Talah Rama  
is great and kind...) Kikki Kuykku

Rama does...) Kikku Kuekki (He  
madeus the underground rooms...)

Kyakkyekyaekya Kyikkya (Talah Rama  
is now fasting and)

Kyakkyakyekyakya (practicing silent  
meditaion, he is also abstaining  
from anything that would make him

sick or smelly too.) Kyapi Kyapi

(Please don't bother him.)

(Dusty Dunes Headquarters for  
finding buried gold.)

(East to Fourside.)

(Beep-beep-beep...) Hello! Hello!

Maxwell Labs here. Oh, hello Jeff!

Would you like me to keep a record  
of your journey? You just wanted to  
hear my voice? Gwahahahahahahah!

(Click! Beep-beep-beep...) we're a  
great team, aren't we? Well, you

should turn the power OFF instead of just pressing RESET. All right?

Hi, it's your dad! To get to the next level... Ha hahh! I guess I don't need to tell you this any more! ... Next week will be your birthday, Ness. I'm trying very hard to be home for that big day! I'll be sure to get you a good present! I've been following your adventures closely, but I want to hear about them from you, in

person. You sound a lot more...  
mature over the phone. ...Well,  
I'll see you at home, then. Bye!

Hello! This is Escargo Express.  
Tracy doesn't work here any more  
Yeah, she used to work here, part-  
time. Hunh? This is Ness? Tracy's  
big brother? I've heard about the  
great work you're doing. It's an  
honor to talk to you, sir! Oh,  
you're calling for a delivery? I'm

very sorry. My wife is out on maternity leave, so I'm taking care of my other kid. I decided to take some time off from the delivery business. It's right next to the fridge! Put it into the microwave... ...that's it. ...Sorry about that. I'm a little busy right now, as you heard. I really would like to hear some of your stories. Zoicks! That was the dog's food! \*Crash!\* Hey, hey! Now look what

you've done! ...I'm sorry. I have  
to go. Good bye. (Click!)

Hello! This is Escargo Express.

(hee, ha, he, ha) I just (hee, ha,  
he, ha) couldn't find your  
location... ...You must be  
somewhere really strange.(hee, ha,  
he, ha) I've decided, honestly,  
that... I should give up. I'm outta  
here. (hee, ha, he, ha) Sometimes  
this happens, you know? (Click!)

(We trust you. Feel free to shop here.) What would you like to buy? How much do you want to pay? Ness

paid \$<money> at the self-service stand. Ness decided not to buy anything. Ness did not pay. Ness could not carry any more stuff.

Hi! I'm Ay-go. How much do you want to deposit? (account:\$<money>) How much do you want to withdraw? (account:\$<money>)

Bow-wow! (Don't you think you'll be needing a weapon? Did you know the drug store sells things you can use? ...I knew about it.)

(The Golden Statue is glowing strangely...)

(Please take my son along. He may look like a regular, small mouse, but he can lead you to an exit if you're lost in a maze.)

(Will you take one of my sons along?) Yes No (You understand that you don't need any money for this...)

(He's a tough boy. You can treat him as one of your items.)

(Oh, you have him already.)

(Didn't you leave my son with  
someone?)

(You have too many items. You can't  
take my son.)

(Trust me on the dark road.)

(Oooo. Do I get to come along too?)

(Please take my son along. He may  
look like a regular, small mouse,  
but he can lead you to an exit if  
you're lost in a maze.)

(Treasure Hunter! This is Lier X.  
Agerate's house!)

(Looks like quite a piece of  
work...)

You've found an old magazine. Are  
you going to read it? Yes No Good.  
That may be the best choice. "My  
Secret Life, chapter three." (Story  
from the previous chapter.) I was  
neither a murder suspect, nor a  
target for an international spy  
organization. But I drove a car

down the Jersey Turnpike at 80 mph.

...A police officer pulled me over and asked for my driver's license.

He said I was going 20 mph over the speed limit. I instantly pointed to

my wife and said "I'm in a hurry, my wife is in labor." Fortunately,

my wife actually had a big stomach.

I hoped he'd let me go with this excuse. "Oh, since it's an

emergency. I'll lead you to the hospital with my police car," he

said. "No, it's not necessary."

"Why not?" asked the officer.

"Uh... well..." "Let's get going,"

said the officer... "No, no! We

can't! This baby is a demon child!"

(The pay phone costs one dollar.)

(This dungeon has no entrance fee.

Come on in!)

(It looks like a doorway...)

(Ness got 50 dollars.)

Woof! Woof! (I'm Ruffini the dog.

I'm being possessed by the spirit

of the game designer... (RUFF!) Do

you see the window showing HP and

PP at the bottom of the screen?

When you go to a store that has equippable items, this window will either flash, look normal or become black. If you are allowed to equip an item, and it is stronger than your current item, the window will flash. If the item's power is equal to, or less than your current equipped item, the window looks normal. If you can't equip an item, the window is black. \*Ruff\* I

thought you'd like to know. Now it's time to become a regular dog again...)

Woof! Woof! I'm Ruffini the dog. Here comes the spirit of the game designer again... Ruff! (You're finally almost to the end of the game. If you want to tell me your comments on this game, you may write to me using Nintendo's address on the box. Send your comments attention EarthBound,

Ruffini the dog. Now, get ready for the ending! It's all that's left... enjoy it! Bow woow wow! Well, I told you some strange info again... I'll go back to being a normal dog now...) Woof!

(I am not your enemy. I am simply your average run-of-the-mill mole. Would you like some hints on fighting enemies?) Yes No (Ah, I see... You've already got a good grasp of how to fight effectively.)

(Listen carefully. My hint involves which way you are facing when a battle with an enemy occurs. If you allow enemies to approach you from your back or side, they may get a surprise opening attack. When they approach you this way, your TV screen, no... no... I mean the world in front of you will show a red swirl for a second. On the other hand, if you approach an enemy from the back or side, you

may get a surprise opening attack.

In that case, your TV... Oops again! ...The world in front of you shows a green swirl. The point is, try to fight so that you always have the advantage.)

(I am not your enemy. I am just a plain ol' mole. You are certainly stronger than you were while wandering around Onett. Have you ever suddenly gotten the "You Won" message when you met a weak enemy?

That's sure-fire proof that you've become stronger. You don't want to waste your time fighting wimpy enemies, do you?)

Kyee Kyee! (Yeah!)

Kyu Ukyee (Gimme some gum.) (The monkey got a piece of bubble gum from Jeff and blew a bubble!)

Kya kyi kya kyoo. (Give me some gum now.) Kaki kuke ko. (I'll take care of everything.)

Ki-kye-kye-kye-kiii. (Yep, I have some cheeeewing gum!)

Kya ke ke kiya. (In the monkey community, Ness is famous. You're such a great man.)

(There's no response.)

Kyi kya kiko kree. (I saw you once before just for a second... You know my fiancée.) Koo kya keke (My fiancée loves to chew gum. He went to visit Dr. Andonuts' lab... but he hasn't returned yet.) Kye koko

kikkyā kekra, (I want to go there  
so I can get him home, but without  
him, I can't cross Lake Tess.) Kri  
kekko kya ko (I'm really worried  
that the mad doctor will use him in  
a crash test.)

Ku kyo kika. (It's me again, that  
chewing gum monkey's wife.) Kako  
kyuka kre. (My husband left me here  
to go play with Tessie along the  
shores of Lake Tess.)

Kyakkro ki kyokke (Ah, Ness, my husband has been returning home late these days. He says he's busy.) Kya. (I know he's out saving the earth, but a marriage is also important.)

Kekye koo kikkro (Thanks for taking care of my husband the other day...) (Oh yes, we finally tied the knot...)

Kooki kekye ki! (Honey, don't just stand there with your mouth open, say hello!)

Krikko kyakya (So...) Kekroo kyaki (You passed by a cave north of Stonehenge. Don't you ever wonder what's inside?) Kikkyo kukru ki (Can't seem to stop thinking about it!) Keke kike (Go and see what's there!) Kyoke kyakroo koo (We're going to get out of here. We're

still newlyweds, you know... Bye-bye!)

Instant Revitalizing Device (In only a few seconds, this machine fully revitalizes you, just like a good night's sleep.)

(Drug Store "Best Friend")

(Thump, thump!... thump, thump! I made so much money, I can hear my heartbeat!)

Yaaaieeee!! That that that Diamond... you're going to pay with

that Diamond?! O... o... okay,  
th... that's fine. I'll rip up this  
contract. \*rrrrrrrip!\* Don't tell  
anyone about the Diamond... Now the  
Runaway Five are free! ...You  
should thank me. That Diamond is  
worth maybe... MAYBE... \$50. So I  
gave you a bargain. (Thump,  
thump... Thump, thump! I made lots  
of money...)

You might run into the maid,  
Electra. I wonder what your

relationship is... (smile). This  
elevator takes you to the 47th  
floor.

(This bear won't attack you. He's  
stuffed!)

Hey, long time no see! I've thought  
of a new joke since before ...

Knock, knock!... (who's there?)

Sawyer... (Sawyer who?) Sawyer

doin' well, I'm fine, too! Baaa

ha!... ...You don't think it's

funny? I really thought this would

be funny to you. Now my self confidence is TOTALLY shot! Back to therapy...

(The key is bent and doesn't fit into the key hole!)

(Unfortunately, there is nothing in this locker.)

(Dear Ness, How are you? Since you left home on your journey, things have changed around here. For example, I don't have as much laundry. Also, we don't seem to eat

<favorite food> as much as we used to. I heard that you defeated some universal evil character--what was it, Googi, or something like that? Well, that sounds really great! I want to hear all the details, so hurry home, okay? Tracy, King and I are waiting for you. Love, Mama)

(Dear Jeff, Everything's really going great here. I wish I could have gone with you on your adventure, even just part of the

way, but instead I'm sitting here, waiting for you in Winters. I want to see you again as soon as possible.

I can't wait to see your cheerful face. I bet your glasses are dirty... If you come back, I'll clean them for you! Like I said, I'm waiting for you. Yours truly,  
Tony P.S Don't show this letter to anyone!)

(Dear Paula, How are you doing? I'm fine. I fine too! So are me! Me also! Me okay. Please come and play with us again at the Polestar Preschool. Oh yeah, one more thing, bring us some presents ...if you have any. Sincerely, Your friends at the Polestar Preschool)

..... (A man of few words. It's useless talking to him now.)

Ah! So you've realized that this is  
our hideout? Yes No (Oh!... Hmmm)

This is not a hideout!

(I'm not an enemy. I'm just a  
friendly mole. I'll tell you how to  
distinguish between your friends  
and enemies. It's easy to tell an  
enemy just by looking at them.  
Enemies look like humans with  
weird-colored faces. Beware of  
them. However... you can't get more

powerful if you avoid your  
enemies.)

(You listened to my advise and  
fought courageously. You rock!)

(I've got fleas sucking me dry, so  
I'm just going to lie still for  
now.)

(Besides humans, dogs also sleep at  
night. Why aren't you asleep?)

(Do you want me to go with you?)

Yes No (Oh, I get it. You just

wanted to talk to me because I'm so lovable.)

(I guess I have no choice. Let's go.)

(I don't wanna go out anymore. I don't care if everyone thinks I'm a stubborn mutt.)

(At this point, you guys just might be the strongest force in the world, don't you think?)

(Other dogs haven't figured it out yet, but I know that you guys saved the world!)

(I like being at home, relaxing quietly... Can't ya see--I don't wanna go outside!)

Whimper... whine. (I lived in your house before you were born... Ness used to be small and weak.)

Pi pi pi pi pi (I'm just a faint memory. You don't usually remember

me. But you've heard my song in the back of your mind.)

Chi chi chi chi chi (Onett was a quiet, small town, wasn't it?)

(I'm the evil part of your brain.

You can't beat me. Because you are the one who forced me into being...)

(Ness heard a familiar voice at the center of the Sea of Eden.)

(Ness really heard his own voice.  
Go to Saturn Valley! Go to Saturn  
Valley now!)

(For some reason, the bus returned  
to Twoson.)

(Due to traffic jams, bus service  
has been temporarily suspended.)

(<party member> checked the bus  
schedule. It looks like the next  
bus will come pretty soon.) To  
Threed, it's going to cost

\$<money>. Do you want to go? Yes No

Okay, we're off!

(<party member> checked the bus schedule. It looks like the next bus will come pretty soon.) This bus goes to Fourside. I can't let you on if you don't pay \$<money> for the fare. Do you want to go? Yes No Okay, we're off!

(<party member> checked the bus schedule. It looks like the next bus will come soon.) This bus goes

to Twoson via Threed. It is going  
to cost \$<money>. Do you want to

Woooo! Wooo! Woooooooo! (Go back! Go  
back!) Woooo! Wooo! Woooooooo! (Go  
back! Go back!) Woooo! Wooo!  
Woooooooo! (Go back! Go back!)

(For some weird reason, a pencil-  
shaped iron statue is blocking the  
path.)

(Ness used the Key to the Cabin.)

(You must use the Key to the Cabin to open this.)

(Oh, oh... you're losing consciousness... What could be the fate of Ness and his friend?)

(Tony joined you.)

Hello, this is Apple Kid. I've come up with another wacky invention that I think has real potential.

Maybe you won't, but anyway... it's called the "Gourmet Yogurt Machine." It makes many different

flavors of yogurt. The only problem is, right now, it can only make trout-flavored yogurt... So, I'm having the machine delivered to you via Escargo Express. It's coming "Neglected Class." Hopefully, you'll get it soon. Yeah, everything is... (Kabooooom!) Uh, I've got some problems here, gotta go, bye!

\*Crash\* Ooops! \*Crunch\* Ooops!  
...Greetings! (It's Escargo

Express's neglected class.) Whew! I just got here from the Dusty Dune desert. There was this sunbathing guy, and he told me about a cave with lots of monkeys... or was it orangutans? Anyway, he said... well... uh... I forgot. Yep, I forgot... actually I forgot the stuff I was supposed to deliver, too. I think it was some weird machine to make trout-flavored yogurt. Yeah, I forgot it at the

desert... I'm not going back that way, so don't ask me to get the package... I mean, it's your package, right? So YOU go get it! Go on, get out of here. Maybe that thing I forgot is important to you... So... have a good time in the desert!....

Kikye uke kya (I'm not a delivery man.) Keke ku iokki kokyo (I can't remember if we've met.) Kyu ukki ukki ko (Talah Rama just finished

fasting) Kyu ukyo uki (and now  
wants to meet you) Uko uke kauike  
(at the west end of Dusty Dunes  
desert) Kekoi kiko ukkeke (in a  
cave with lots of monkeys.) Kokyu  
uke ku akki (I'll use my  
teleportation to...) Kya (Bye!)

(The hot spring energized you  
completely.)

(The hot spring cured you  
completely.)

(The hot spring energizes you completely.)

(Resting well in the hot spring healed you.)

(<party member> got the <item>.)

(<party member> added the <item> to <party member>'s stuff.)

(Hot springs... Rest here.)

(You enjoyed the hot springs immensely. It made you feel reborn.)

(You got in and washed all of the extremely dirty gunk off of your body.)

(He's smiling). Oh, Paula! Uh... sorry, I thought you were Paula.

Dinosaurs... Huge, aren't they?

Well, that's all I've gotten out of my research! You wanna hear more?

(Whispering) To tell you the truth... I heard that dinosaurs were found near the lower side of Scaraba, and there were lots of

them. There are unconfirmed reports that the dinosaurs ate some of the natives there. If you go, please try to find the dinosaurs and bring back photographs.

I kept asking around for Trout-flavored yogurt, but... What? You have a "Yogurt Dispenser"? May I have it? (Before you could answer, she took the "Yogurt Dispenser.")

Now I can make Trout-flavored yogurt for my guests. ...You are so

fix... for the time being.)

(This is a heal stone.)

(Only Jeff is able to fix the Sky

Runner.)

(<party member> had a dream, it was

a very clear, and very strange,

dream.)

Prince Poo... I am the spirit of  
your ancient lineage. To complete  
your trial, I am going to break  
your legs. You will lose the use of  
them. Do you accept this? Yes No  
So, Prince Poo... you cannot walk,  
as your legs are broken. Next, I  
will tear your arms off... I shall  
then take your arms and feed them  
to the crows. The taking of your  
arms... Do you accept this? Yes No  
Ah, Prince Poo... Without legs and

arms, you can only lie there...

Now, I'll cut your ears off. You do not mind my taking your hearing away, do you? Do you accept this?

Yes No (So, Prince Poo. No legs, no arms and no sound... By floating words through the air, I must ask you... Do you care if I take your eyes? Do you want to live in eternal darkness? I shall steal your sight... Do you accept this?)

Yes No (So, Prince Poo. Now, I can

only communicate directly with your mind. Your mind is all you have left... In the end, I will take your mind, though you probably don't want to allow that, do you? So... you can't answer? You can't even move? Are you sad, are you lonely? If you lose your mind, you also lose any feelings of sadness... Do you accept this? I will take your mind, Prince Poo, know that I will possess it...)

(The door of the pyramid is firmly sealed...)

(Someone must have stepped on a switch!)

(It sounds like something up above is moving.)

(There is something on the platform. Do you want to get it?)

(In case of danger, evacuate here! The Boss)

(Cross bridge to Happy-Happy Village)

(I'm not an enemy. I'm just a regular mole. Would you like to know about how to survive battles?)

Yes No (Well, you seem to know a lot already, even if you don't look like it.) (You may have noticed that, when you have been badly hurt in battle, you may survive a mortal attack and still have 1 HP. If this has happened, it was because of your Guts. Your survival may depend on your Guts level. Also,

more Guts helps you get more SMAAAAASHing hits. Beyond Guts, you should have noticed that it takes some time for damage to be taken from you. This is because of the rolling action of your HP meter. Oops! I mean your life. If an enemy deals mortal damage to you, but you defeat all enemies before your life is gone, you survive. This is all I know.)

(The mouse found the way out and waved for you to follow.)

(The Exit Mouse cannot do its job unless it is in a hole, cave, or some place with an exit!)

(At this point in time, the mouse is fast asleep.)
