Où donc est ce trésor? Aucune dalle ne sonne creux. J'ai pourtant bien compté treize pierres après le tombeau de Ladislas le Grand en allant le long du mur, et il n'y a rien. Il faut qu'on m'ait trompée. Voilà cependant: ici la pierre sonne creux. A l'œuvre, Mère Ubu. Courage, descellons cette pierre. Elle tient bon. Prenons ce bout de croc à finances qui fera encore son office. Voilà! Voilà l'or au milieu des ossements des rois. Dans notre sac, alors, tout! Eh! quel est ce bruit? Dans ces vieilles voûtes y aurait-il encore des vivants? Non, ce n'est rien, hâtons-nous. Prenons tout. Cet argent sera mieux à la face du jour qu'au milieu des tombeaux des anciens princes. Remettons la pierre. Eh quoi! toujours ce bruit. Ma présence en ces lieux me cause une étrange frayeur. Je prendrai le reste de cet or une autre fois, je reviendrai demain.

—Mère Ubu
