

PUNIVERSE

VOL. 17

STEPHEN REID McLAUGHLIN

Puniverse

being the ingenuous
crossing of an idiom set
and a rhyming dictionary

by Stephen McLaughlin

2014

*

I have corrected every error that alert readers detected in the second edition (as well as some mistakes that, alas, nobody noticed); and I have tried to avoid introducing new errors in the new material. However, I suppose some defects still remain, and I want to fix them as soon as possible. Therefore I will cheerfully pay \$2.56 to the first finder of each technical, typographical, or historical error.

—Donald Knuth
