# Puniverse

being the ingenuous  
crossing of an idiom set  
and a rhyming dictionary

by Stephen McLaughlin

\*

The wind rose heavily, fog spread, the distance from the long silk Integra slowed to a roll, a figure with a three to four year-old shook, a surface twenty or thirty cubits closed in on them, wide jumps, lands on the boat, the boat sway, constructing water, feldspar, quartz, a granite consisting in a general flora and very durable water channel.

—Gordon Faylor
