

PUNIVERSE

VOL. 42

STEPHEN REID McLAUGHLIN

Puniverse

being the ingenuous
crossing of an idiom set
and a rhyming dictionary

by Stephen McLaughlin

GPDF100
GPDFeditions005
www.gauss-pdf.com

2014

The most significant deviation occurs at the shedding of the knowledge of good and evil: in order to enter Heaven, humans must first unlearn the moral nature of the gods.

Humans unlearn by doing.

Humans unlearn life by ceasing to live. Humans unlearn a moral nature by doing immoral things.

—Josef Kaplan
