*STEPHEN REID McLAUGHLIN*

# Puniverse

being the ingenuous  
crossing of an idiom set  
and a rhyming dictionary

by Stephen McLaughlin

\*

Could it be that the central problem of the next ten years or so, for all artists in all possible forms, is going to be less the still further discovery of new media and intermedia, but of the new discovery of ways to use what we care about both appropriately and explicitly?

—Dick Higgins
