I keep thinking its Thursday. I don't know. I haven't had enough coffee yet. Yeah, it's just all a big secret, right? I saw these yesterday. Hey. You're here. I didn't know. I was thinking whoa, that's weird, no one's up here yet. I'm okay--thanks. I'm feeling a bit backwards. I think I drank some old coffee. Yeah, it was an accident. I didn't really realize it until I got here. I think it had been sitting on my desk for a day or two. You see what I did was, I knew that if I didn't cool off my coffee I wouldn't have enough time to drink it before work. So I put ice cubes in my coffee so that it was cool. And yeah, at some point I must have picked up an old cup. I don't know. But, uh, how are you? That's good, that's good. How was your weekend? Well, I know, but I haven't seen you since last week, right? Okay, well that's good. Was it a good a movie? I mean I never heard of it, but a movie called Bounty Hunters sounds like its right up my alley. Yep, okay. One sec. What for? Of course I did. Hey, don't walk up behind me like that. Should I put these-- Well there's one. No, wait, two. Should I put these? Oh and, uh, what did you want me to put on that mannequin? I didn't get a chance to put anything on it yesterday. I didn't think that it would make much, uh, sense to put brown or blue on there. Okay. Hey, my bowtie keeps falling off. I gotta tighten it. Be right back. Hey, look, my bowtie's on now. It's okay. I thought I'd just roll with it. Thanks. One sec. Hi there. You have a return? I'll uh, take a look. No, sorry, I can't seem to find those anywhere. I'm guessing we're out. Is there anything wrong with this one? Yep. Uh huh. Yep, so you'll get back thirty-nine forty-nine. There you go. Thanks. Hi there, all set? Fifty-six thirty-three all together. There you go. Chip at the bottom. And receipt in the bag, okay? There you go, man. Take it easy. Hey, ■■■, when you get a chance can you throw a box of the big bags and a box of small bags in the elevator for me, please? And maybe a few extra pens, if there are a few around. Yep, I am pencil pusher. Hey ■■■, do you have any pins with you? For mannequins. Okay, no problem. I found some. They were moved. I'm putting a shirt back on this mannequin. Oh, thanks for asking. Yeah, it was all right. Yeah, sure. No, it's still quiet yet, I'm not sure if very many people knew we'd be open before the mall. I'm relieved. Look at me I get to stand around for the first while. Not bad, eh? Nope. Nope. Not bad at all. Hi there. What can I do for ya? A shawl pin? No, I don't think we have any. I haven't seen pins of any kind actually. Sorry. Okay. Thank you. Hi there, all set? I can help you at the cash over here. Yep, over here. Alright, thirty-one thirty five all together. Forty? Thank you. Here's your change. Receipt in the bag okay? There you go. Have a nice day. Hi, there. Right over here. Sorry about that. I'm here. That's all right. How are you today? Thirty-three eighty-four. Thank you. Take care. Hey, she used to work here, right? Okay. Yeah. That was before me. Uhhh, no. I'm an old soul. Wasn't there a thing for a while where she wasn't allowed to do returns? Yeah, cause I remember... Just because I remember, right before I quit she was here like every night returning shit. It was kind of crazy. Hey, look at this shirt. I want more of them. We only got one in? I want it. It's extra large. It won't fit. I have one extra large shirt right now and I have to tuck it all into my pants. It looks great. Yeah, that's what I'm hoping. Hi there, how are you? All set? Okay, so altogether its sixty eighty-four. Debit card at the bottom please. Yep, just down there. And receipt in the bag all right? And

there ya go. Have a nice day. Hey man, how's it going? What's that? Yeah, Lindsay Gray? Yep. I thought I recognized you. Yeah. Yeah. Yeah, I actually just saw her for the first time in like six months on the weekend. Oh yeah, oh yeah. So, uh, twenty-two sixty. There ya go. Yep, she seems to have adjusted. I think—for a while—I think she was having a hard time finding work, but she's in now, ya know? Yeah, I think she's working at Fresh. I'm not sure which one though. There ya go. No problem. Take it easy. Uh. It was where? How much? Twenty-nine ninety-five? There's a chance it might have sold out, but let me check it. Did it have, like, bright white buttons? Cause we have denim shirts like this. Yep, there it is there. Just across the way there. Hi there. Its not on sale, is it? Let's check. Nope, okay, I can hold it for you. Hi there. How are you? Just be one second. And you're all set with that? Nope, things are starting to pick up a bit. I'm betting the next hour or so. Okay, so all together its thirty-nine ninety-four. Chip at the bottom, please. Receipt in the bag okay? Take care. And you're all set with these? Thirty-five fourteen. Chip in the bottom please. There you are. Take care. I can help you right here. Do you have anything smaller? I don't know if I have enough. Sorry about that. Thanks. Yeah, if it was later we might, but— Okay, and here's your change. Take care. Hey, how's it going? Good, thanks. Fifteen seventy-one all together. There you are chip in the bottom. There you go. Take care. How are you? I'm all right, thank you. Fifteen seventy-one, please. Yep, chip at the bottom. There you are. Take care. Picked quite a day to go job-hunting, eh? No, no. That's okay. I can take your resume, but make sure you go online and create a profile. And you have the receipt? Thank you. Okay. And you'll get back thirty-three eighty-four. Chip at the bottom. Go ahead. Yep. Did you want the receipt back? You're sure? Okay. No problem. All set? Right over here. And you found everything okay today? So its thirty-three eighty-four. You can go ahead with the chip at the bottom there. There you are. Have a nice day. Depends on where you're going? Cuda? Oh yeah... Thank you. You want to try those on? Do you mind if I hold onto the earrings? Did you want to try the shoes? Oh yeah? I can hold onto them for you. You forgot your cellphone there? Um, I don't think anyone is available to run outside the store right now. No, I'm sorry we can't do that. Well just because you bought something from our store doesn't make us responsible for your cell phone that you left outside of the store. Your best bet would be to call mall security. Yep, we just don't have anyone that can do that right now. I'll just get the number for mall security for you. Just give me a sec. How many? Yep sure, right over here. Can you get me the number for mall security? Okay, I'm looking here and I can't see it. Would it be the same as gift cards? Uh, no. Uhhh, I think I got the number? Dude, what's going on? Why are you still here? I think I found it on a paper. Thanks. Hi there sorry, the number for customer service is ■-■-■, Uh, ■-■,. Yep, they'll direct you to security. That guy, wanted me to send someone out from our store to find his cell phone just because he's been in our store and "knows everybody by face." Like what the fuck? No, we don't have anyone that can do that. I don't know. He left his cell phone outside somewhere so he wants us to get it for him because he did a transaction today. No. And why? What? What took her so long to get up here? I was going to say something...like I need to go on lunch...is there anyone that can let me do that?

someone thought that they could treat you that way. Yeah, yeah. Well. Of course. But, secondly, can we think about how absurd his insults were? Like, "are you upset because you've got nipples on your ass?" That's crazy. Could you think of a weirder thing to say at that moment? My feelings wouldn't be hurt— oh yeah. But, like, my feelings couldn't be hurt, that's just too weird. What was the deal anyway? Oh yeah. Oh yeah. Fair. Well, of course. Uh huh. Mhm. Mhm. Well, just think about nipples on your ass. All right, well, I like this one. It's definitely got a more of a nightlife vibe to it,

you know? But, I think you were totally hitting it off with the first one. It had a way more cooler fifties vibe to it. Yeah, definitely, a little more character too. Oh yeah, well, its up to you. I mean, whatever you're more comfortable with, is what you should go with. If you're not comfortable in it, you won't like it. What's that? One more? Okay, sure. Hi there, how many do you have to try? Okay, great. You can take them right in there. Just let me know if you need anything. Okay, you know what. Yes, definitely this one. No question. Okay, great. It helps the time pass. Here ya go. I'll leave some in the drawer for ya. Nothing new. Those are for someone. I forgot what's going on with those so, uh, just leave them. And yeah, cool.
