The worst part of the dream is that i am both the man and the woman

our usual tuesday spot is closed until five The time is four

our usual tuesday spot closed until five The time

four our usual tuesday spot is closed until five

brittle life The time four

the worst part of the dream is that i am

both

The man and the woman bitter life

the usual tuesday spot the man

The woman

closed until five the time four gasping

and the woman

gasping 5 and 4

The worst part of the dream is that i am both

As it turn out nothing feel good nothing sparkle nothing christmas  
morning tv dream diamond stocking pulled thigh high sex or cigarette  
puff say yes won't you to the dress i mean

That okay i understand but i do want to understand more do you feel  
like writing it to me do you feel like writing it out question mark?  
does the chance of seasons help? i don't do voicemail in future can you  
text your feelings?

Hi renee?? i've been waiting to speak to you all day a cup of tea a tiny book a paper napkin sized just right a lacy bra a red ringed underwire an oak tree a redwood a hemorrhoid a fistula a hemorrhage a dream a crouch a woman a woman soaked a woman soaked in a woman soaked in blood the same underwear for many days a musky smell

A fervor a fever a fervent a nymphet an objet le garbage du cinema a ribbon a ribbon around the hair a ribbon around the neck a ribbon around the mouth around the package brown paper package butcher paper package and a ribbon tied round the old oak tree the literature canadian and shelved according to your desire renee i'm so glad i've called you i'm so glad you've answered renee accent aigu accent grave your somber face your hydrangea skin blossom under low light thread bare skin soft spool of light have your digital copy of renee's hydrangea skin an untrimmed bush in your parent's front yard

HOW OUT OF CONTROL "SAID THE NEIGHBOR"

Just straddle the glove and squat that okay i understand but i do want  
to understand more do you feel like writing it do you feel like dinner  
at our cooperative art space question mark

The wallpaper was yellow yes we all know but the important thing is  
that i HEARD you and i LOVE you and i think you're SPECIAL  
drip drip

“THE WALLPAPER IS EXOTIC”

Oh how do you do kim right behind the mirror i see you and your double sided dildo hanging down from your pussy a kegel is an egg if you stick it in it will strengthen muscles plus some women find them very pleas-ur-able kim

“THAT YELLOW WALLPAPER!”

I love how you've redone the place i mean really i mean really i mean i try to mean i trib to mien i mm mm trim to men i murt to trear to mean a kegel is an egg not fried or friend an egg all yours for your pussy kim your very own fat pussy

We are lesbian moms we take our daughter shopping her name is kim  
we take her to forever twenty-one we hope kim will stay young  
forever we give kim many yellow bags of clothes we hope she will stay  
young forever instead of becoming a dirty stripper slut who likes dick  
and cock forever in all three holes and even more holes than three if  
there were more than three holes not including ears and eyes and nose  
and nipples and belly button and still that yellow wallpaper hangs so  
beautifully

Renee is that you!

Heartfelt congratulations on your successful career and marriage  
forthcoming in paperback expected within the next six to eight  
months but no longer than a year we just simply couldn't wait that  
long could we oh kimmy kim kim

There there that feels better now dear kim's lesbian moms are feeding  
her a warm bottle and swaddling her in a felt blanket are we going to  
the q&a afterward or was the event enough for us kim dear pat pat  
look at her rosebud mouth the lesbian moms coo her wet little  
rosebud mouth already learning to yawn wide for all the dicks to come  
pat pat urrp that's good kim learn to get it out push the air out that's  
the trick dear out not in not in but out

Did we think we were working hard or hardly working we the lesbian  
moms ask each other are we embarrassed by each other's hair cuts  
now are we sad that we are old and no longer desire each other we  
used to desire each other now we no longer desire each other

Now our slut child kim covered in dirt on the street in the gutter on  
the rag and pill and mend in a small studio apartment with dim lights  
lying quiet on the bed with the camera on who will buy a show from  
our slut child kim with the fridge buzz and the lights dim and the one  
yellow thong leotard size medium purchased online for \$29.99 all  
items with prices that end in .99 are final sale so hurry up and buy  
them before they are finally all gone finally faintly into the night as  
long as kim's happy we're happy the narrator said, yes smiled the  
narrator and nodded her head in agreement

We the lesbian moms bought several tubes of hair removal cream we hope it works we do hope it works on our hair which is stubbornly refusing to be removed from our chins

Bad eyesight and aging belief in god who we believed all along was woman like we the lesbian moms also believed ourselves to be not helping our two matching sinks in the bathroom

I'm sick of women spat the narrator

She sighed a long one and looked in the mirror

It was all rich talk poor talk then death said kim on the phone to her boyfriend

She sighed a long one and looked in the mirror

And dads kim's boyfriend added and dentists added kim and tectonics added the narrators and throw pillows added the dentist it was all polyblend throw pillows

For propping butt cheeks during strenuous sexual activity and bite size candies lined kids in a box you too could be so perpetually happy it hurts clap once to receive a personalized invitation to our online garden party full of select guests heavy cutlery and fine grain conversation for you for free for you and you alone are free!

It was all black and brown and white and brown and white and white  
and a white fur collar and a breath of white perfume and breath of  
babies piles and piles of fresh white babies or flowers please curb your  
dog your brilliant white dog or woman please curb your white woman

It was all white potatoes 65 cents a pound and good for boiling

It was all eastern standard time and heavy cream and cold cuts at dawn

It was all “GRANDDAD IN THE OCEAN WITH THE OIL SPILL IN  
THE LIBRARY WITH THE LOGORRHEA IN THE BEDROOM  
WITH THE BARBITURATE IN THE KITCHEN WITH THE  
KIDDIE”

Did you see me?

Did you tell me my voice and lips tell me my skin and soft and am i  
sweet and did you tell me love you fever pray solitaire z don't tell her  
our secret god i hope for you fervent doubtful furrow

The balloon came down and we wrecked it because we did not know  
what it was we were poor and romantic and believed in ghost spirits  
but more likely we saw the direction it come from the blood look so  
fake like ketchup we kept going this can't be pause real pause it too  
orange pause go on i killed each handsome man sorry every present  
moment is a too late one for retro action hindsight what ever the  
point is we can't do anything now time go one way in this world too  
bad

It was a blue we'd never seen before and still hadn't actually seen but imagined sometimes it take a while to get going that okay look at me deep z said z body so reflective i only saw myself i'm sorry whimper i can't see z i'm in the way sob stifle cry i want to look i want to see what z really are i

At least we saw the blue together cup in hands wrinkle like milk curdled old and blue so many words protected z from quiet press against me now now we found each other we will find others after this cycle is life it can comfort us or not stole z words

"Hexagonal sediment avocado sway the cattails bring pungent rot oh florida pulp factory process orange sky sweet and known for this our fame oh rotten state now breeze bring stench of crumbling coast atlantic you large beast you rocked my friends to dangerous sleep tell me how good i am tell me i'm good and will forgive you perestroika soul"

Food for my want elation go from me franklin and java long a like  
ahhhhh how cute i like any indiscriminate thing if you present it in  
the right light might seem beautiful

Baby frown in the wind now that's an honest boy what is beautiful is  
light not me
