

WELCOME TO MY BOOK
COULD YOU PLEASE PROVIDE ME WITH

YOUR PERSONAL HISTORY

ON A SCALE OF 1 - 10

THIS STATEMENT. RETURN TO FRONT DESK

WHERE JEANETTE SHALL ASSIST YOU

WILL BE WITH YOU SHORTLY

Hollowed at the crux, my cassiopeiae
I tell a white turtleneck adult size small
Thrifted, of course, as the poor do
Lady of the Chair if I ever were poor I'd tell you
I will suck on the Tao of Pooh like i need the money
Fruit o payola ripening and turning: a ballet dancer
Bribes herself into tatas, snacks, accepting milk for what it is
and it was for sure a cruel cruel joke
Watching those 1000 Russian orphans in the shop
eat John Frieda Sheer Blonde for gruel
Everything is retarded & i put it on, growing bigger
For i will never forget Devin breaking underneath me
i will never forget fishing, oil of stepdad
Please sir I want shum more says Oliver writhing
Do you know that kind of feeling? Well, yeah

Our lady of ANTICS ROADSHOW! at the so-called
Wellness clinic. This bar is liminal, the soap here's like wax
Obviously if you hoard brownies you will get a slap on the wrist
Then again you are rotting n e way
"He was crying into his bluetooth going *Where are my fresh figs?!*"
A story Chris tells You wouldn't even believe
I wanted to laugh but Was too f*cking busy Practicing abstinence

oUR lady of Neopets, soothe us soothe me
My brick & mortar's emptying & the smallest bits are crying
Becoming real dust, it's unbelievable
Where did i put you last? A box in Missouri → Washington
whence I named myself finally without your guidance

"Yes but u can learn ways to cope" I text mother
 She is sick without her kids and I get it, promise
 Tho I need you now with your poxed feathers which drove into history
 You were just like an angel, painted, fillayed, I
 graze on split ends without you til i, i am full beast.

I plagiarized some1 else's work!!!! wtfffff
 Who am i supposed to tell not anyone I know
 I don't remember the poet but I do remember the two lines
 it was a nature poem, forgive me THAT MUCH, ok
 Something about a slow gust of wind, that whole kit & K
 A slow gust of wind hurling/ a slow gust of wind
 like this:

```

      .')
      ( ) .+(` ) ) -----
          : ( )
      .:(` ) ) -- .-- ` ( ) ) -----
      :( ) .( ) `__:'
` ( ) ) ( )
) `__:' )--- ( ) )---- _-----
) )-- --' _ `-' _:' .=(` )
.-' ( `). : ( )
      ( `..' -- `( ) ) )-----
      ( ) )--- `__:'
      `__:'-'
  
```

adam doesn't talk to me anymore
 nor james
 nor ray, dylan
 What did I do? I know what I did

If you pretend the clit is a thumbtack needing: warmth of fresh Xerox
 If you pretend the clit is a dime or penny, whichever
 If you let the family yorkie lick it while the rest went out boating

I never did that but thought about it, O how I wanted to
"The Rape of Skippy" I might call my first limpida sonata, imagining
how I thought about it; I thought about it til I hated the thought

of tasting anything at all, for what it's worth I couldn't anyway

[[Electronic chime](#)] that's me lyre-ing the intercom
Is he or isn't Ben in the house? he's in his bedroom "mancave"
Goddamn Xbox again-- it's games like that ruining America
---so violent, so very violent--

Could you tell him dinner's ready?

Two sanguine fillets, 1 for mommy, 1 for Ben, none for Becca

Throwback
to the time I made dylan
have sex with an UGG boot

That was hilarious--
gosh, to be passive like that
How warm

the way food crumbles in the throat & melts
Hey Pavlov, are u in there? No, just his dogs

I'm the best writer in the room but no one knows
I hate the chaff-caked works of Robert Frost
and J__ M. C__
I am only doing this for "shock value" Hence the enjambment balking

but I do. Around the cooler everyday zeez men, ohmigod,

How they beat my dick into submission ('I'm melting'--a small voice--
& then as water, it pools. When the world's allotted

its last poem? Imagine the way they'll battle to drink
Chaliced pronoun sunned into Jell-O, they don't know you yet
Let this b my resting place: This sweetness.

Adults are totally allowed to do colouring in nowadays and this book is a great way to distract yourself from the hassles of being a grown-up. The book is split into 2 parts, the first for colouring, and the second for you to finish off partly done pictures, so you can get a bit creative as well as 'just' colouring in. A lot of these colouring books are marketed as being Mindfulness aids, but you don't have to be stressed or in need of a bit of therapy to enjoy them, and hours of guilt-free pleasure are to be found in this fantastic book.
