## >> Fresh Yorkshire Terriers

In the cutscene, your mother tells you not to come home. You spend three hours in her shed/pool room because she doesn't know what to do with you. Your high school friends grow up in the cutscene, everyone you dislike gets a fresh Yorkshire terrier. Your city thrives in the cutscene, the **Buffalo Wild Wings** parking lot expands.

=====  
**EDITOR'S NOTE:** I strongly believe someone who calls their aunt a "Republican bastard" on Christmas does not deserve a strategy guide.  
=====

At the end of the cutscene, you may view your former home but it is a static mesh. It does not have the properties necessary to contain you.

**Find out more about your Buffalo Wild Wings (including how to clone it) on page 7.**

>> Your Hotel Takes Pride In Their Clock Radios

Your new hotel's highway billboard boasts Buffalo Wild Wings is within walking distance, promises a clock radio in each room. Carve your name into your very own clock radio. Flip it over, put your tongue to the battery leakage. You will not gain or lose charisma.

=====  
"No one should go to school to design clothes and I'm glad no one gave you free money to do it."  
- your aunt, Christmas morning,  
    (the full conversation is available in your inventory).  
=====

The hotel room notepad asks you to identify your name and to divvy 25 points out between perception, endurance, charisma, and intelligence. This will decide your initial skillset.

>> Meet the Blond Haired Boy

Meet the Blond Haired Boy at the waffle press for +3 intelligence and 12 oz. Styrofoam cups full of Tropicana, no pulp. Meet the Blond Haired Boy at the waffle press, he'll tell you who he's been and who he will be and he's always right.

**View your inventory and some notable deaths on page 11.**

>> MINI GAME: Your...Private Parts?

An NFL coach is fired mid-season after a disappointing 2-7 record and barricading his lover in a walk-in closet for 12 hours. You see him on SportsCenter while you're at the Buffalo Wild Wings. ESPN's camera crew tracks him downtown wearing sandals in January. ESPN analysts project he's lost between 3 and 5 perception.

The former NFL coach takes a seat in the last porn theater left downtown. He kicks off his sandals and faces the printed graphic of his former team's logo on the heel. The ESPN camera crew observes proper porn theater etiquette and sits one row back. They do not touch anyone unless asked.

```

>> Find That Blond Haired Boy

The following winter, that Blond Haired Boy gives you a job because you were nice enough to hot glue his broken sandals back together. That boy goes to Target and finds the same Styrofoam cups the porn theater downtown uses for fountain drinks. You smuggle them in together. In total you acquire a job, +5 perception, +2 intelligence, and free fountain drinks at the porn theater.

>> Fresh Starts, Fresh Yorkshire Terriers

Find your aunt twenty years after you called her a "Republican bastard". She talks more about the weather, less about politics. Last winter she lost 10 charisma and her ability to live independently after slipping on ice in the Buffalo Wild Wing's parking lot.

Tell her how well you have done since downloading *Strategy Guide:The Christmas You Call Your Aunt a Republican Bastard*. Show her the new pair of Chacos you are wearing in January and pictures of your very own fresh Yorkshire terrier. Your career as a designer is not a selectable dialogue option. Tell her about all those free fountain drinks.

\\\_WHAT IS THE CLONING BUG?\_\_\_\_\_  
/\

The game's creators never thought you would sleep anywhere other than your hotel room. They know you will never enter your childhood home and never again see your parents. They know your hotel room is comfortable and boasts a clock radio and free HBO.

Any time you sleep somewhere other than your hotel room, the game makes a duplicate of that location to resolve what the game sees as a contradiction. You will wake up in this duplicate. Duplicates retain some assets from your hotel room.

\\\_WILL CLONING BUFFALO WILD WINGS BRING MY PEOPLE HAPPINESS?\_\_\_\_\_

Buffalo Wild Wings serves such a diverse market that it demands multiple locations in any thriving city. The weekend staff at your cloned Buffalo Wild Wings will have long, floppy pages from a hotel room notepad for tongues. They will keep their mouths open in constant fear of dissolving and swallowing their own tongue. Buffalo Wild Wings's assortment of 80-inch Samsung LED screens and their featured domestic beer, Bud Light, offer luxuries once thought exclusive to those with 26 or above charisma.

\/ HOW DO I INITIATE THE CLONING BUG? \_\_\_\_\_  
/\

Exploit the cloning bug by falling asleep AT LEAST THIRTY MINUTES inside your Buffalo Wild Wings. There are many ways to do this, however most successful cloners: 1) Line four bar chairs together to form a micro-bed, 2) Angle that micro-bed to face one of Buffalo Wild Wings's Samsung LED 80-inch screens, 3) Pound back at least twelve bottles of Buffalo Wild Wings's featured domestic beer: Bud Light, 4) Stare up at the Samsung LED 80-inch screen and view ESPN's Arkansas Razorback coverage until your eyes get exhausted from it all.

## INVENTORY GUIDE

-----

These are the items you can add to your inventory in each level. A lot will happen and I can't tell you how to use these items. Again I'm JUST A NORMAL GUY HERE in the prime of his life writing strategy guides for the less fortunate. I have not experienced any notable deaths.

- LEVEL TWO: STRANDED
- LEVEL THREE: ...AND YOUR SUGAR?

\*\*\*\*\*  
\*\*\* BIRTH OF A HERO [BOAH] \*\*\*  
\*\*\*\*\*

- Garden State on DVD borrowed from the friend you're about to propose to.
- "You don't deserve free money to go to school" - Your Aunt, Audio Recording.
- It's winter so you find a quarter to hot glue to a pair of broken sandals so you're not walking around barefoot.

=====  
\*|\* **MY CLOSEST TO NOTABLE DEATH:** The time I found \*|\*  
\*|\* out my high school valedictorian had two \*|\*  
\*|\* articles published in the field of Chemistry \*|\*  
\*|\* and a bullet in her head on the same strange \*|\*  
\*|\* evening in November. \*|\*  
\*|\* \*|\*

=====

- The world map, viewable by pressing START (enemies will appear in red, friendlies in green).
- An iPod classic preloaded with the soundtrack to Garden State and you never set it to shuffle because Coldplay's "Don't Panic" must always bat leadoff.

- "Garden State is all about living life, but not knowing why you're living it."- weekend dishwasher at Buffalo Wild Wings, Audio Recording.
- By the end of BOAH you will have a complete world map. You have seen the entire world.

\*\*\*\*\*  
 \*\*\* STRANDED [STRD] \*\*\*  
 \*\*\*\*\*

- Garden State on DVD now has worn edges from misuse but still borrowed from the friend you're about to propose to.
- The styrofoam cups used at your local porn theater.
- "My mother will never show up on my world map,"  
 - You, Audio Recording.
- "Garden State is about living ordinary, extra-ordinary lives," - man in the S&M room of your porn theater, Audio Recording

=====  
 \*|\* **CAUTION:** That Blonde Haired Boy's wife will die \*|\*  
 \*|\* once you leave the porn theater. Once you leave \*|\*  
 \*|\* you will no longer smell her aerosol deodorant \*|\*  
 \*|\* outside the women's restroom. \*|\*  
 \*|\* \*|\*

=====

- "You might be impulsive,"- the friend you proposed to, Audio Recording

=====  
\*|\* **EASTER EGG:** Load your now-complete world map. It \*|\*  
\*|\* is shaped like Arkansas. You are unable to visit \*|\*  
\*|\* the real Arkansas in your world. Your world is \*|\*  
\*|\* Buffalo Wild Wings and blonde haired boys. The \*|\*  
\*|\* game designers rushed to ship this thing by \*|\*  
\*|\* Christmas. There was no time for Arkansas. \*|\*  
\*|\* \*|\*

\*\*\*\*\*  
\*\*\* ...AND YOUR SUGAR? [ANYS] \*\*\*  
\*\*\*\*\*

- A six pack of Bud Light Platinum (still not publicly recognized by Buffalo Wild Wings).
- Garden State as a loose disk. You throw the box away because you can't bare the look of the Zach Braff she once owned.

=====  
\*|\* **EASTER EGG:** That Blonde Haired Boy's wife \*|\*  
\*|\* is very dead but she's still available in \*|\*  
\*|\* plushee-form in the crane machine at the \*|\*  
\*|\* back of your Buffalo Wild Wings. \*|\*  
\*|\* \*|\*

View your world map (your Arkansas) on page 16.

- You receive the women's aerosol deodorant you desire from That Blonde Haired Boy.
  
- That Blonde Haired Boy borrows your iPod Classic to listen to "In The Waiting Line" on repeat, two in the morning. It is no longer available in your inventory. He acquires +5 perception and walks across the world three times just to fall asleep.

## Side Quests:

### YOUR TIME WITH THAT BLONDE HAIRE D BOY

-----  
What follows are brief descriptions of what you can expect from your relationship with your ONE AND ONLY CONFIDANT: that Blonde Haired Boy. I would have no idea what it is like to have just one friend. I am a generous man who writes strategy guides for the less fortunate. That is the type of personality that creates long-standing friendships. I will be going on vacation next week and there are many people who will suffer from my absence.

\*\*\*\*\*  
\*\*\* SIDE QUESTS \*\*\*  
\*\*\*\*\*

- SIDE QUEST 1: OUR EXTRA MILE
- SIDE QUEST 2: OUR ALMOST ARKANSAS
- SIDE QUEST 3: OUR HALF-ACRE

\*\*\*\*\*  
\*\*\* OUR EXTRA MILE \*\*\*  
\*\*\*\*\*

You and that Blonde Haired Boy go to Buffalo Wild Wings and meet a Winston Cigarettes salesman who travels across the world to smooze with the public and give them 10% off coupons for Winston Classics with the crush-proof box.

You and that Blonde Haired Boy share a bucket of fifty Asian Zing wings. On the drive home, that boy takes sharp right turns to see if he can make you puke.

Back home, That Blonde Haired Boy's wife is trying to watch Scrubs season 1 but you both keep talking about the Winston Cigarettes salesman. The Winston Cigarettes salesman travels the world with his coupons for the Classics in the crush-proof box. One day he is handing them out near the crane machine at the back of the Buffalo Wild Wings, the next day he's on the curb in front of the porn theater.

=====  
\*|\* **EDITOR'S NOTE:** I am four days from a trip to \*|\*  
\*|\* Montreal and, I'll tell you something, you \*|\*  
\*|\* begin to miss the everyday routine when it's \*|\*  
\*|\* about to end: your friend making you puke in \*|\*  
\*|\* the glove compartment, Zach Braff marathons, \*|\*  
\*|\* writing strategy guides for men who call their \*|\*  
\*|\* aunts Republican bastards. I will be emotional \*|\*  
\*|\* like this until I get to my appointment \*|\*  
\*|\* at Montreal Nuru Massage. \*|\*  
\*|\* \*|\*  
=====

That Blonde Haired Boy's wife lets you borrow her copy of Garden State but will not let you borrow any of her nine seasons of Scrubs. She loves how Scrubs's creators never knew when the show would be cancelled. Television shows rarely earn the privilege of ending slowly. The creators of Scrubs prepared series finales for the end of season 1, season 7, season 8, and season 9 respectively.

Everyone is thinking about that Winston Cigarettes salesman. That Winston Cigarettes salesman has seen the entire world. He is checking into a new room in the only hotel in the world. He licks battery leakage from a new clock radio every night.

You have seen the entire world. That Blonde Haired Boy's wife will never see the entire world. She has 9 endurance, she spent her savings on her Scrubs DVD collection, and that Blonde Haired Boy beats her.

\*\*\*\*\*  
\*\*\* OUR ALMOST ARKANSAS \*\*\*  
\*\*\*\*\*

The Winston Cigarettes salesman is giving out coupons in front of your childhood home. Business is slow at this location now that your house is a static mesh and your family is no longer blatantly alive but the salesman knows he will run into you.

=====  
\*|\* **Editor's Note:** I picked Jessica (Ethnicity: Cuban, \*|\*  
\*|\* Breast: 32C Natural) at Montreal Nuru Massage at \*|\*  
\*|\* eleven in the morning because she had the most \*|\*  
\*|\* exposed navel. \*|\*  
\*|\* \*|\*  
=====

That Blonde Haired Boy's wife drives you to Buffalo Wild Wings so you will not think about the pathetic static mesh of your childhood home. On the drive back, she even abstains from taking sharp right turns to make you puke. You have everything you ever wanted: Asian Zing Wings in Styrofoam to-go boxes, your pockets full of sympathy 10% off coupons on Winston Classics with the crush-proof box, and that Blonde Haired Boy's wife is beside you.

You use the ATM outside the porn theater to get cash for an engagement ring for that Blonde Haired Boy's wife. It will soon be available in her inventory.

=====  
\*|\* **Editor's Note:** Jessica is selectable at Montreal \*|\*  
\*|\* Nuru Massage on Monday, Friday, and Saturday nights. \*|\*  
\*|\* Her touch is described as "exotic" and she identifies \*|\*  
\*|\* as a Cancer. She is available for 4 hand massages \*|\*  
\*|\* and foot fetish (feet size 5.5). \*|\*  
\*|\* \*|\*  
=====

If your world was Arkansas instead of almost Arkansas, your childhood home would be on the fringes of Chicot County.

If your world was Arkansas instead of almost Arkansas, That Blonde Haired Boy's house and his wife's separate bedroom would be Little Rock.

You dream of waking in Little Rock like no one has dreamt of waking in Little Rock.

The staff of the only hotel in the world puts fresh battery leakage under their clock radios to give the Winston Cigarettes salesman the impression he has never slept in that room before.

There is nothing new you can offer that Blonde Haired Boy's wife just the same Asian Zing wings, the same Winston Cigarettes coupons, the same hotel with inauthentic battery leakage.

You want to have picnics with that Blonde Haired Boy's wife outside the static mesh of your childhood home. You want that Blonde Haired Boy's wife to understand how blatantly alive your parents once were.

That Blonde Haired Boy's wife knows she's dying because her headaches are worse but she will never know that it is from the birth control.

She tells you how the producers of Scrubs did not know if Zach Braff would return for season 9. It was another reminder that television shows rarely earn the privilege of ending slowly.

The producers wrapped up Zach Braff's storyline in season 8. They wrapped up his storyline by projecting a two-minute montage of the rest of his life on a screen outside the hospital with Peter Gabriel's "The Book of Love" in the background.

```
*****
***          OUR HALF-ACRE          ***
*****
```

Your world does not know what to do when someone dies slowly.

They take that Blonde Haired Boy's wife to the Buffalo Wild Wings where they line four bar chairs together to form a micro-bed. There is no hospital because no one was supposed to die slowly.

That Blonde Haired Boy is checking the Razorback score on a 80-inch Samsung LED screen. He is checking his wife's vitals. Your engagement ring is still available in her inventory.

The Winston Cigarette salesman comes to pay his respects and to tell you that season 9 of Scrubs was set in a medical school. The students of the medical school finished their first semester in the last episode before the show was cancelled.

That Blonde Haired Boy's wife dies at 11pm that night in November at 27 years old.
