and Rise again as a stronger and wiser version of you.

Don't underestimate the healing power of these three things: music, the ocean, and the stars.

Sometimes it feels better not to talk.
At all.
About anything.
To anyone.

Never discredit your gut instinct.
You're not being paranoid.
Your body can pick up vibrations,
some better than others, and if
something deep inside you says
something's not right about a
person or situation, trust it and
keep it pushing.

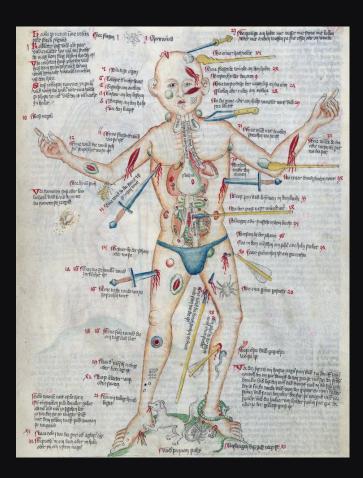

I found peace in a forest. I felt love by a stream. I dream in a meadow. I prayed by the ocean. I am a child of the Earth and Pagan forever!

SOMEONE'S STANDING IN FRONT OF THE ITEM YOU NEED. PRETEND TO LOOK FOR SOMETHING ELSE UNTIL THEY MOVE.

I've long maintained that the American lawn is one of the greatest mass brainwashings of all time. How we all voluntarily signed up to spend untold hours growing and cutting a non-native monoculture which we lace with poisons to kill plants and insects never ceases to amaze me.

TEN COMMANDMENTS FOR HORSES

- 1. My life is likely to last 20 or more years. Any separation from you will be painful for me. Remember that before you take me home.
- 2. Give me time to understand what you want from me.
- 3. Place your trust in me. It is crucial to my well being.
- 4. Don't be angry with me for long. Don't lock me up as punishment. You have your work, your entertainment and your friends, I...... have only you...
- 5. Talk to me sometimes. Even if I don't understand your words, I do understand your voice when it is speaking to me.
- 6. Be aware that however you treat me, I'll never forget
- 7. Remember before you hit me that I am powerful enough to hurt you, but choose not to.
- 8. Before you scold me for being uncooperative, obstinate, or lazy, ask yourself if something might be bothering me. Perhaps I have a problem that you are not yet aware of.
- 9. Take care of me when I am old. You too will be old one day.
- 10. Go with me on the last journey. Never say "I can't bear to watch or Let it happen in my absence." Everything is easier for me if you are there...

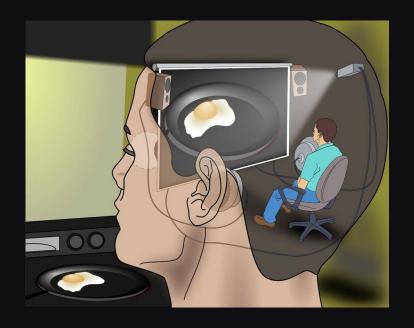

Soak orange peels in vinegar for two weeks in á sealed mason jar. Then pour the vinegar into a spray bottle.Use for cleaning or bug spray. This is great for ants!

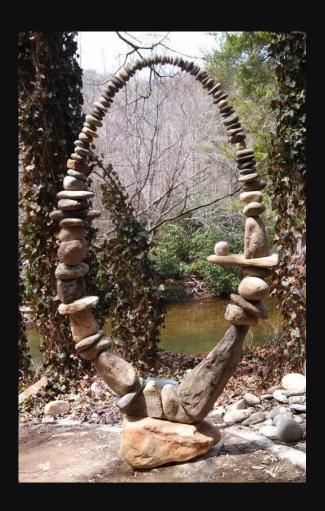

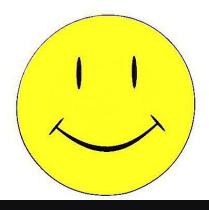

- MAY I HELP YOU
 - GREET THEM
- LOOK THEM IN THE EYE

I am waiting for you to sit with me for a brief moment and rest....

So much of our happiness depends on how we choose to look at the world.

Both tanks in this photo are full of water from the same source, but the tank on the right has oysters in it. A single adult oyster can filter as much as 50 gallons of water a day.

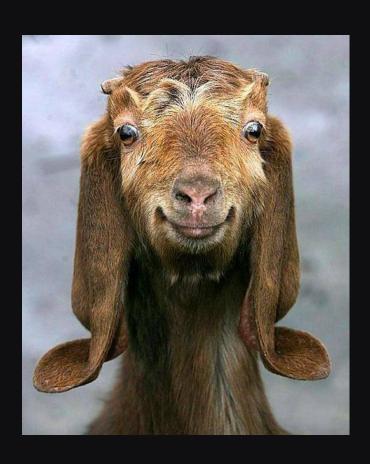

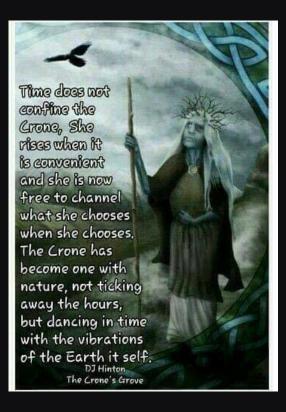

May Brigid bless the house wherein you dwell.
Bless every fireside, every wall and door. Bless every heart that beats beneath its roof.
Bless every hand that toils to bring it joy. Bless every foot that walks its portals through.
May Brigid bless the house that shelters you.

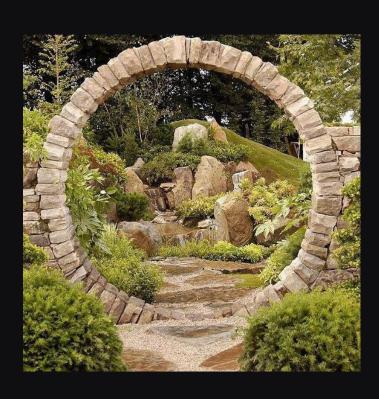

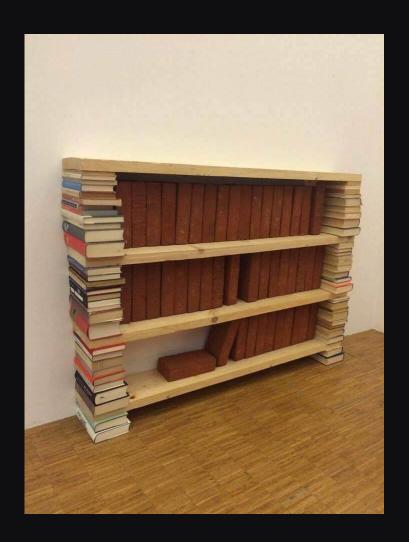

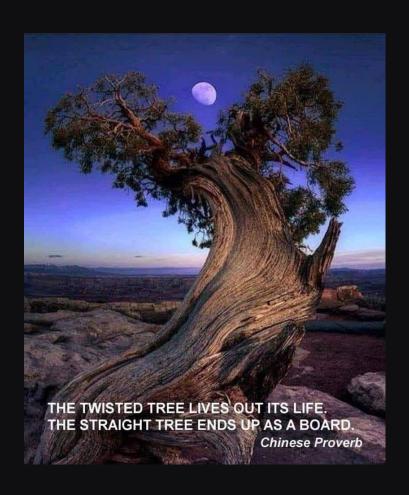

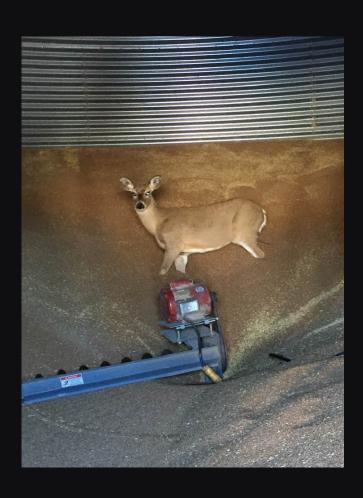

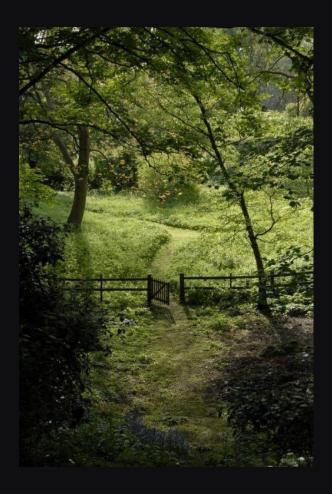

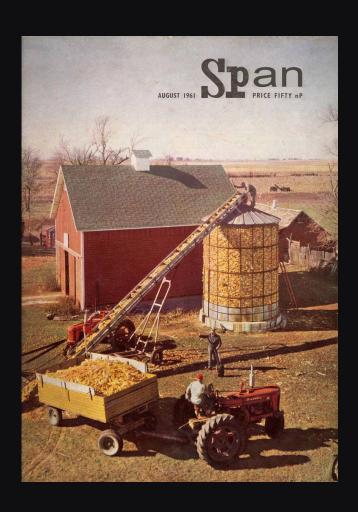

not even caring if you spent the whole day on the computer.
